

AFFORDABLE PROTEIN SUPPLY: SOLVING THE INSTITUTIONAL MEALS PUZZLE

You are invited to join the American Soybean Association's WISHH program and the Indiana Soybean Alliance for an international workshop targeting quality institutional meals. During this meeting, private sector, public sector and non-governmental stakeholders will work together to develop comprehensive approaches to food security challenges and design innovative strategies for lasting institutional nutrition programs that offer affordable and delicious meals. The workshop will also build trade linkages for filling protein supply gaps in participant countries.

WHO WILL ATTEND:

- Commercial Food Industry
- Food Technologists
- Entrepreneurs
- Suppliers and Buyers
- Meal Plan Implementers
- Government Representatives

JULY 30 - AUG 2, 2018

PURDUE UNIVERSITY, WEST LAFAYETTE, INDIANA, USA

Registration Fee: \$500
